

dexGO

Earn by walking the real routes

WHAT IS THE DEXGO

Move-To-Earn game with AR technologies.
Earn by walking the real routes.

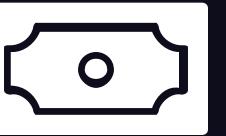

THE MARKET PROBLEMS

Don't walk

People walk a little, and especially rarely discover new places in their city

No interest

People have lost interest in walking just like that and need motivation to go out

With no one

Many people don't have company or friend to go to interesting place together

OUR SOLUTIONS

Attracting people to active lifestyle and traveling through their own city

Interesting routes in your own city

Earning money as a motivation

Own community and walking company

WHY CHOOSE DEXGO

Players can explore new locations by following specially designed dexGO routes. AR creates a more realistic experience than just walking. Game can attract millions of people to a healthy lifestyle and walking.
